▶ SUMMARY

I am a dedicated and creative full-stack developer with a passion for crafting user-friendly web applications. With over 6 years of experience in the industry, I have a strong background in JavaScript, React, Node.js, and relational databases. I thrive in collaborative environments and am always eager to learn new technologies.

▶ EXPERIENCE

Software Developer

Innovative Solutions LLC | 2020-07 - 2023-12

At Innovative Solutions LLC, I worked on developing and maintaining web applications for various clients. I collaborated with a team of developers and designers to deliver high-quality software solutions that met client requirements.

Full Stack Engineer Intern

Tech Startup X | 2019-06 - 2019-12

During my internship at Tech Startup X, I contributed to the development of a new web application from inception to deployment. I gained hands-on experience with modern web technologies like React, Node.js, and MongoDB.
